

# OFFICIAL BALLOT

**DU PAGE PCT 037**

**BALLOT STYLE 20**

**INSTRUCTIONS TO VOTERS:**

To vote, complete the oval to the LEFT of your choice, like this ( ● ). To cast a write-in vote, complete the oval to the LEFT of the blank space provided and write the candidate's name in that space.

An OVERVOTE will occur if you darken the ovals for more candidates than instructed. The ballot counter will alert you if you cast an overvote. An UNDERVOTE occurs when you vote for fewer candidates than instructed. In both instances, it will not affect the offices that were voted correctly on the rest of the ballot.

For specific information, refer to the card of instruction posted in the voting booth. If you tear, soil, deface or erroneously mark this ballot, return it to the Election Judge and obtain another. Vote both sides of ballot if applicable.

- YES
- NO

(1) The approximate amount of taxes extendable at the most recently extended limiting rate is \$3,704,861, and the approximate amount of taxes extendable if the proposition is approved is \$4,296,359.

(2) For the 2018 levy year the approximate amount of the additional tax extendable against property containing a single family residence and having a fair market value at the time of the referendum of \$100,000 is estimated to be \$8.39.

(3) If the proposition is approved, the aggregate extension for the 2018 levy year will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).
